

Find your ICT Partners through Face2Face meetings

19 -20 May 2011
Budapest, Hungary

<http://ec.europa.eu/ictproposersday>

The [ICT Proposers' Day 2011](#) is taking place in Budapest 19-20 May 2011 organised by the European Commission under the auspices of the Hungarian EU Presidency. It is dedicated to networking and promoting research & development in the field of ICT within 7th Framework Programme (FP7)

[Ideal-ist](#) is organising a brokerage event in cooperation with the [Enterprise Europe Network](#) with pre-arranged Face2Face meetings within the ICT Proposers' Day 2011.

Why to participate:

- to identify partners and facilitate the setup of FP7 project consortia
- to discuss and develop new project ideas on ICT at international level
- to initiate cross-border contacts

Event Target Audience:

Companies, universities and researchers from Europe interested in sharing new project ideas for FP7 ICT theme and finding appropriate collaboration partners

Topics:

The event will focus on the following challenge of the FP7 ICT Call 8 and Call 9

- Pervasive and Trusted Network and Service Infrastructures
- Cognitive systems and robotics
- Alternative Paths to Components and Systems
- Technologies for Digital Content and Languages
- ICT for Health
- ICT for a Low Carbon Economy
- ICT for Learning and Access to Cultural Resources
- Future and Emerging Technologies

Next Steps:

NOTE: To participate in the Ideal-ist brokerage event you first need to register at the EC site of the ICT Proposers' Day 2011 first. Use your registration data to submit your cooperation profile for the Face2Face meetings.

Until 26 April	Registration and Submission of your cooperation profile
