VENUE

New Stuttgart Trade Fair Centre, Hall 9, West Entrance
 Messepiazza/Flughafenrandstraße, 70629 Stuttgart, Germany
www.cep-expo.com

Neue Messe Stuttgart / New Stuttgart Trade Fair Centre is located near the Stuttgart Airport. It is ideally linked to the public transportation system. You can reach the trade fairgrounds easily by S-Bahn.

From Stuttgart Airport

The New Stuttgart Trade Fair is a short walk from the Arrivals Terminal at the Airport. Follow signs to the Trade Fair.

From Stuttgart Main Station take the S-Bahn

The Main Station is located in the city centre of Stuttgart, about 13 km from Stuttgart Airport and the New Stuttgart Trade Fair Centre. Take S-Bahn (lines S2 or S3 - direction Stuttgart Flughafen / Neue Messe / Filderstadt). Travel time is approximately 30 minutes.

By Car

The New Stuttgart Trade Fair Centre is located close to Stuttgart airport. Take the A8 or B27 (Exit "Flughafen") and follow the signs for "Flughafen / Neue Messe". From the A8 you will arrive directly at the car park. The parking fees are between € 6- € 10 (per day).

ENERGY EFFICIENT BUILDING AND RENOVATION CEP® 2009

EUROPEAN MEETINGPOINT AT CEP® 2009

WELCOME

ABOUT THE EVENT

The CEP® CLEAN ENERGY POWER 2009 International Trade Fair for Renewable Energy & Passive House will take place in Stuttgart at the New Stuttgart Trade Fair Centre, Germany, from 29th January to 31st January 2009.

At one of the most modern trade fair sites in Germany, the International Trade Fair CEP® presents excellence with approximately 10,000 visitors and 300 exhibitors. With CEP® combining renewable energy, energy efficient building and renovation, the entire topic scope of renewable energy and Passive House is presented in one location.

Steinbeis-Europa-Zentrum, partner in the Enterprise Europe Network, will add an extra dimension to your trade fair visit by organising a European Meetingpoint in co-operation with other members of the Enterprise Europe Network and further regional networks and stakeholders from 29th-30th January 2009. The event focuses on technologies in the areas of "Energy Efficient Building and Renovation". You will have the opportunity to meet potential European cooperation partners during pre-arranged appointments on two days, paving the way for future co-operations.

Meetingpoint focuses on several technology fields:

- Passive House (ready built house modules, wall- and roof constructions, ecological building materials, windows, doors, façades, house and heating technologies)
- Heating and cooling technologies
- New materials
- New technologies in the area of renovation
- Information and computer technologies used in construction and renovation.

THE ENTERPRISE EUROPE NETWORK

Launched in 2008 by the European Commission, the Enterprise Europe Network combines and builds on the former Innovation Relay Centres and Euro Info Centres. The network provides information and advice to companies, universities and research organisations on EU matters, innovation, research and technology transfer. It is also promoting the exploitation of European research results. The Enterprise Europe Network is made up of close to 600 partner organisations in more than 40 countries, including the 27 EU member states. Steinbeis-Europa-Zentrum is a partner of this Network in the consortium of Baden-Württemberg. www.enterprise-europe-network.ec.europa.eu

WHY SHOULD YOU PARTICIPATE

The Meetingpoint is the ideal environment for companies and research institutes in the fields of energy efficient building and renovation to:

- Meet relevant companies and institutes with a similar or complementary core competence
- Establish cross-border contacts with European actors
- Observe new and innovative technologies
- Look for expertise and know-how in the areas of production, marketing and distribution
- Offer and/or use innovative technologies/know-how
- Offer and/or use application-oriented research results
- Select and be selected for future collaboration in research and product development.

TARGET GROUPS

Companies and research institutes in the field of energy efficient building and renovation which are looking for bilateral cooperation partners or for partners for EU-funded projects, such as:

- Companies: architects, engineering offices, craftsmen, producers of all kinds related products
- RTD-institutions: universities, universities of applied sciences, research & development organisations.

HOW TO PARTICIPATE

REGISTRATION

Please register online under: www.cleanenergy-meetingpoint.eu or send us the enclosed form by fax to receive further information. Registration requires you to submit your contact details and a profile. Deadline for registration is 14th January 2009.

ONLINE CATALOGUE

All profiles will be collected and published (anonymously) in an online catalogue. This catalogue will be the basis for all participants to identify potential partners and requesting individual appointments. Get to meet with the profiles that are of interest by requesting meetings early!

Deadline for requesting meetings is: 19th January 2009.

MEETING SCHEDULE

One week before the trade fair CEP® 2009 begins you will receive your individual meeting schedule by Email. The meetings will take place on 29th and 30th January 2009 at the IBEF® International Business Exchange Forum, Hall 9, at the New Stuttgart Trade Fair Centre.

DEADLINES

14th January 2009: Registration and submission of profiles

19th January 2009: Requesting meetings

FEE

Participation at the Meetingpoint costs € 50 (plus 7% VAT). The participation fee includes price for one organisation with up to 2 people. The fee also includes the entrance ticket to the trade fair for the days of the Meetingpoint, an Evening Reception and refreshments during the event as well as the event catalogue. If you do not require an entrance ticket, a reduced fee will be charged. Following registration to the event you will receive an invoice by post. Cancellations will not be refunded; nevertheless participants can send a substitute colleague.
